

Calling all writers and artists!

We welcome you to share a significant experience you had in lockdown,
in self-isolation or in your bubble group,
and you can tell your story through words or express it through art.

We invite you to share your heartbreak,
your self-realizations and
your triumphs with us.

Please send your submissions to yukipress2004@gmail.com by 31 January 2021.
Selected works will be compiled into a book.
